

## About Us

Cape Fam is a premier meat wholesale trading company dedicated to providing high-quality, ethically sourced meat products to retailers, restaurants, and distributors. With years of experience in the meat industry, we have built a reputation for reliability, competitive pricing, and superior customer service.

## Our Mission

To deliver premium-grade meat products while maintaining the highest industry standards in safety, quality, and sustainability.

## Our Vision

To become a leading global supplier of fresh and processed meat, known for quality, consistency, and ethical sourcing.

## Core Values

- Quality First – Ensuring top-tier products that meet international standards.
- Integrity & Transparency – Building trust with customers and partners.
- Customer Satisfaction – Providing exceptional service and customized solutions.
- Sustainability – Sourcing responsibly to protect the environment and animal welfare.

## Our Products

We specialize in supplying a wide variety of meat products, including:

- Beef – Premium cuts, grass-fed and grain-fed options.
- Lamb & Mutton – Tender and flavorful selections.
- Processed Meats – Sausages, cold cuts, and marinated products.

## Our Services

- Wholesale Supply – Bulk meat supply to businesses across various industries.
- Custom Orders – Tailored cuts and portioning based on client needs.
- Cold Chain Logistics – Ensuring freshness through state-of-the-art storage and transportation.
- Export & Distribution – Serving international markets with reliable shipping solutions.

## Quality Assurance

We adhere to the highest food safety standards, ensuring all our products meet stringent health and regulatory requirements.

## Certifications & Compliance

- HACCP Certified – Ensuring food safety through hazard control processes.
- ISO Standards – Complying with international quality management systems.
- Halal – Meeting dietary needs for diverse customers.

## Sustainability & Ethical Sourcing

We partner with trusted farms that prioritize animal welfare and sustainable farming practices. Our goal is to reduce environmental impact while maintaining product excellence.
